Епифанова Анна Дмитриевна  
Учитель английского языка  
МАОУ «СОШ №123»

*«Игровая технология представляет собой целостную систему, охватывающую конкретную часть образовательного процесса. В нее включаются последовательные игры и упражнения, формирующие личностные качества воспитанников, обеспечивающие эффективность вхождения в социум, их самореализацию в соответствии с интересами и возможностями»*

# New Year's detective story

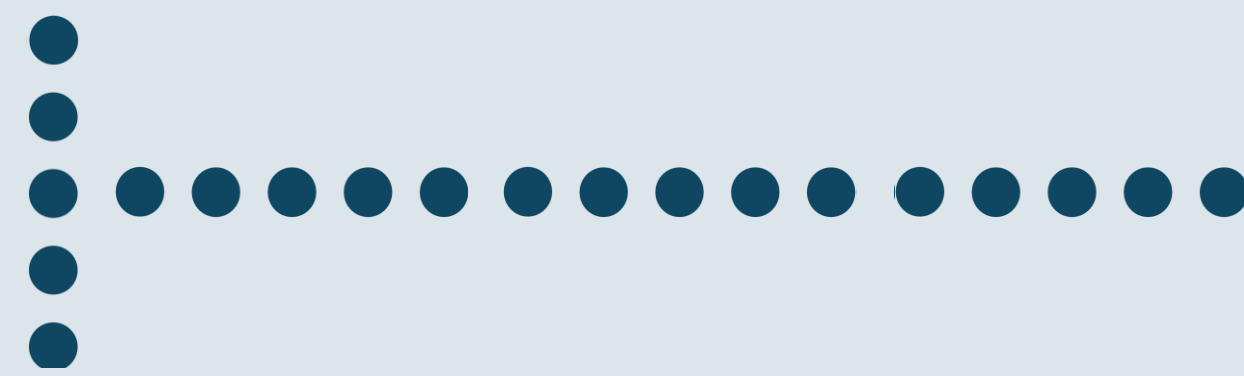

Wow ! Another roll of paper

*" You seem to be able to handle all my assignments. Well, I have a few questions for you "*

1. What is the purpose of Chico visiting Crash's house?
2. Why does Crash not want to let Chico and the others inside?
3. What are Chico and the others trying to prevent from happening?
4. What is the group's plan of action to stop the old year from leaving?
5. Why do they decide to make a snowman for the old year instead of continuing to guard it?
6. What is the status of the group's resolutions from the previous year?
7. What does the speaker suggest about the unfinished resolutions?

The detective is now standing in front of the Christmas tree, looking at a scroll of paper. The scroll contains a quote and seven questions.
