While there are numerous obstacles to fulfilling your dreams, just recall the great words of Thomas Jefferson, the author of the Declaration of Independence: “I find that the harder I work, the more luck I seem to have.” Yes, most people know the name of the game in politics but they don’t know the things one has to go through prior to reaching stardom. Trump’s life hasn’t always been peaches and cream, but he pushed through.

So, again, never give up, and once you will purchase your own Louisiana.
